

### Message from Mrs Mead

We have had a lovely day today in the sunshine to end the week with the children experimenting with natural pigments and using found materials to make paintbrushes.

Also thank you to Amy for talking to some of our early years parents and supporting us with our outdoors and early years action plans.

Our first Film Club also went well and I am looking forward to watching more films with your children in the coming weeks.

I hope the weather continues to be kind and you all have a lovely weekend.

Mrs Mead x

Thank you to all those who attended and to our new officers for giving up their time to support our children.
