

### Message from Mrs Mead

Good afternoon everyone and welcome back for the Summer Term.

I hope you all enjoyed your Easter break - which seems a long time ago already - and are looking forward to an action-packed end to the school year.

I would just like to say thankyou to FOTS for organising our Easter tombola at the end of last term and for continuing to raise funds for us. Please keep the 18<sup>th</sup> of May free and come along and support the Duck Race - our next big event.

Take Care

Mrs Meadx

### TEMPEST PHOTOGRAPHY

Many of you may have seen the news before Easter that Tempest photography had offered parents of a primary school, class photographs with children with SEN excluded from the pictures.

We received a letter from Tempest on our return to school acknowledging their mistake and informing us of the ways they were responding to this which includes diversity and inclusion training for their photographers. They have also apologised unreservedly.

However, after discussion with the staff and governors we do not feel that Tempest is still the best company for us to use as it does not fit in with our inclusive ethos.

We are therefore looking into an alternative photographer/company to take the upcoming class/group and Y6 Leavers photos this summer and will let you know as soon as a date has been confirmed.

## EASTER 2024

Lots of EGGCELENT fun was had on the last day of the Spring Term.

Everyone entered into the spirit by decorating and rolling eggs and by designing some amazing EGGSTREME EGG models.

Well done not only to our Winners:  
Isabel, Billy and Oscar  
But to everyone who had a go. The standard was very high and it was great to see the children being creative, independently and with their families.
