

Message from Mrs Mead

Good afternoon, Everyone.

So that was an interesting week?!

As many of you know we had Ofsted in this week to carry out a full Section 5 inspection of the school. While I am not able to share the official outcome with you yet, I can say that the staff and governors found the experience a very positive one. The lead inspector was certainly thorough, but it did feel like she was on our side and wanted to work with us to support our children which was great.

As is the case for all schools, we will have things to focus on, on our journey of continuous improvement. However, the initial feedback seems to have acknowledged the hard work and dedication of the staff and the improvements the school has made since the last inspection - all in Ofsted's unique style of course!

I would like to take this opportunity to thank all of you who responded to the parent view survey which was overwhelmingly positive. The feedback was much appreciated by me and the rest of the staff so thank you for your support.

I also want to thank and congratulate our children who represented our school so beautifully and who continue to be that heart of what we do at Trekener.

With Easter in the middle of the timeframe, it is not likely that the report will be available until May/June half-term, however please be assured that it is business as usual for us and we are already back to work to ensure that our children are receiving the excellent quality of education they deserve.

Have a lovely weekend.

Mrs Meadx

Head's Up!

Dates For Your Diary

The last week and a half of term is going to be jam packed with exciting activities:

W20/03 Rescheduled Y3/Y4 football Festival @Launceston College

Th21/03 Bags To School Collection

Pioneers Trip to Food and Farming Day at RCS Wadebridge

[apologies for the confusion in last week's newsletter which said Badgers?! - my mistake]

F22/03 FOTS Mufti Day - bring a donation [egg] for the Easter Tombola

W27/03 Easter Activities and Competitions Day

- Easter Egg model/diorama competition. - This year's theme is **EGGstreme EGGS** to tie in with our geography and science work on rocks, earthquakes, volcanoes, fossils, dinosaurs, climate etc. Get your thinking and designing caps on and make your models at home. Each model must contain at least 1 [hard boiled or chocolate/candy] egg but otherwise your only limit is your imagination. Please bring your models into school on Wednesday morning.
- Bring a hard-boiled egg to school on Wednesday to **decorate** and **roll**.
- **FOTS Easter Tombola** 2pm-3:15pm in Hedgehogs. Children can be picked up from 2 by parents to go to the tombola or to go home.

Th 28/03 INSET DAY

Pupils finish for Easter on **Wednesday 27th March**.
