Geography Focus:		Exploring Trekenner, Exploring the Moors	KS2	KS2		Years 3&4		
	Vo	ocabulary		Changing land use and key skills				
Coordinates Grid	refere	locating a place on a map a 4 figure grid nce can be given to locate the square on ap a feature or point is located in.	Settleme	E	Consider settlements on Dartmoor from Bronze Age to modern times, how have they changed and why.			
reference	To give	a grid reference you go along the corrido g) and up the stairs (Northing)	Tools	r	Consider what tools were available to people over time and how these im- pact the environment			
Geographical feature	Maps use symbols and markers to indicate fea- tures of the area. These can be things such as school, Post office, bridge, Settlment		Trade	a	Consider the resources of the local area and how trade in these has changed over time and impacted the landscape.			
Contours			Tourism	1	Consider the impact of tourism on the local environment. What advantages and disadvantages does it bring.			
Contours	hilly an	These orange wiggly lines on a map show how flat or hilly an area is. Lots close together shows a steep hill, a few spaced out would show a very flat area.		a T	Use mapping skills to create maps and keys of the school and local area. Talk about likes and dislikes and sug- gest improvements.			
Settlement	house: period	nents are areas where people have build s/barns/shops and lived in groups for a of time. Settlements can grow and e, or be abandoned and become ruins.	Map Read					
Countries of t	Studying ma	lo	Use digital maps, photos and OS maps to look for similarities and differences be- tween locations. Also to look for and ex-					

Countries of the UK and their capital cities / Cornwall and Dartmoor

Human impact

Humans use the land's resources to live: farm, mine, trade, build and for tourism This can cause changes to the landscape over time. Consider settlement and land use changes and our responsibility to the environment.
