Message from Mrs Mead

Given the heartbreaking events of this week I wanted to take the opportunity to thank you all for the amazing community spirit and love that everyone has shown to not only Jaime and her family but as whole to our children and each other. It is at time like this that we see and feel what a truly special place Trekenner is!

A book of condolence will be set up in the library from Monday for anyone who wishes to add a message or note and please continue to liaise with us and the parents who are organising what practical support we can give.

Take Care Mrs Mead x

OUTDOOR LEARNING

Last Friday we had our first outdoor learning session of the year. We had a whole school afternoon of team-building, cooking round the firepit and making ice pictures.

TREKENNER ROCKS!

On Wednesday Explorer's Class spent the afternoon investigating rocks to launch our new topic ROCKS, RELICS and RUMBLES.

We had a lovely time making models and observational drawings.

We were even able to eat some of them.....

FOTS

The next meeting of the FOTS committee will be on Monday 29th January in the Pre-School @3:15pm. Everyone is welcome to attend.
